10. Authors evaluation:

In May 2018, the questionnaire presented in Annex 1 was sent to the authors of the issues corresponding to 2017 to evaluate their satisfaction with the referee and publication process. 8 questionnaires have been received from the 17 envoys. Annex 2 presents the results obtained and in Annex 3 the comments and suggestions received. The results show a high degree of satisfaction with higher average scores in all items to 7.5 points (which refers to the time between acknowledgement of receipt and receipt of the reviewers' comments). The journal has obtained an overall average score of 8.63 points.

11. Improvements made during the report period:

- Incorporation to the catalogue of journals of the University of Malaga, which will occur in a way complete through 2018.
